Details about road works

13 July 2016

Dear Sir/Madam

Work to improve the A428 near you

We are working on behalf of Highways England to repair and improve the A428 near you. This work will see the road resurfaced between St Neots and Caxton in four separate sections, identified below.

We will be working on weeknights between 20:00 and 06:00, to minimise disruption. We will be starting on Monday 25 July, and expect this work to be finished by November. This work may result in slight delays for local road users and through traffic, as well as additional noise in this area while we are working, for which we apologise.

Stretches of the A428 will be closed while we are working, with clearly signed diversion routes in place. The details of where will be closed and when are as follows, **with all of these dates subject to weather and other conditions:**

- Between Eltisley (junction with the B1040) and Caxton Gibbet roundabout, from Monday 25 July to Tuesday 16 August;
- Between the St Neots roundabout (junction with the B1428) and the Tesco roundabout (junction with Barford Road), from Wednesday 17 August to Monday 12 September;
- Between Tithe Farm roundabout (junction with the B1428) and Eltisley, from Tuesday 13 September to Tuesday 11 October;
- Between the Tesco roundabout and Tithe Farm roundabout, from Wednesday 12 to Saturday 29 October.

For all of these closures, drivers will follow the same diversion. When heading westbound, drivers will:

- take the A1198 at Caxton Gibbet, then;
- at Godmanchester, follow the A14 westbound to junction 21;
- at Brampton Hut, take the A1 southbound;
- follow the A1 southbound to Wyboston roundabout, where the diversion ends.

Drivers heading eastbound will follow this diversion in reverse.

We would be grateful if you would publicise the works to your parishioners through newsletters and other communications where appropriate. We would advise drivers to allow extra time to complete their journey.

We will do our utmost to complete the works as quickly as possible, avoiding disturbance and keeping noise to a minimum. Once complete, the work will result in a smoother and safer A428.

To stay informed about all the latest major road works happening near you, visit www.gov.uk/government/organisations/highways-england to register for the latest alerts.

If you have any enquiries please contact the Highways England Customer Contact Centre on 0300 123 5000, or by e-mail to info@highwaysengland.co.uk.

Yours Faithfully,

Ben Russell,
Construction Manager,
For and on behalf of Highways England
