Details about road works

3 October 2016

Dear Sir/Madam

Work to improve the A428 near you

We are working on behalf of Highways England to repair and improve the A428 near you. This work will see the road resurfaced between Cambourne and Caxton.

We will be working on weeknights between 20:00 and 06:00, to minimise disruption. We will be starting on Tuesday 11 October, finishing on Tuesday 18 October. This work may result in delays for local road users and through traffic, as well as additional noise in this area while we are working, for which we apologise.

This stretch of the A428 will be closed while we are working, with a clearly signed diversion route in place. Drivers will be diverted off the A14 at junction 31 (Girton interchange) before it becomes the A428, then head northbound to Huntingdon, exit at junction 21 (Brampton Hut) and then take the A1 southbound to Wyboston Lakes, where they can re-join the A428 and head eastbound to Croxton.

We would be grateful if you would publicise the works to your parishioners through newsletters and other communications where appropriate. We would advise drivers to allow extra time to complete their journey.

We will do our utmost to complete the works as quickly as possible, avoiding disturbance and keeping noise to a minimum. Once complete, the work will result in a smoother and safer A428.

To stay informed about all the latest major road works happening near you, visit www.gov.uk/government/organisations/highways-england to register for the latest alerts.

If you have any enquiries please contact the Highways England Customer Contact Centre on 0300 123 5000, or by e-mail to info@highwaysengland.co.uk.

Yours Faithfully,

Ben Russell,
Construction Manager,
For and on behalf of Highways England

Amey

The Dickerson Industrial Estate, Ely Road, Waterbeach, Cambridge, CB25 9PG
